**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net because they provide me competitive cost and competent service for my internet and phone needs. I purposely left ATT and Comcast because they consistently increased prices without notice and offered no explanation or additional services or improvements to warrant an increase.

I am a teacher and I rely on my home internet service to access resources and information to support my students learning. Do not compromise my access.
